LB 790

time into this. They've been fighting this war for a long time. I don't take a whole lot of things on blind faith, but this seems like we're heading in the right direction here, and I guess I'm on board. Let's put it that way. I return the remainder of my time to the Chair, and thank you.

SENATOR SCHIMEK: Thank you, Senator Mines...I mean, I'm sorry. Thank you, Senator Friend. Seeing no further lights, Senator Landis, you are recognized to close on your amendment.

SENATOR SCHIMEK: The question is the advancement of LB 790 to
